TEC-IT Datenverarbeitung GmbH
Standard License Terms for Freeware valid from March, 1st 2013

1. Scope and Definitions

These license terms govern the rights and duties between you (thereafter called Licensee) and TEC-IT Datenverarbeitung GmbH, Hans-Wagner-Strasse 6, A-4400 Steyr/AUSTRIA (thereafter called TEC-IT) regarding the download, the installation and the use of free software (thereafter called Freeware) provided by TEC-IT.

The term *Freeware* refers to all applications or computer programs in binary or in source-code form which are available free of charge and explicitly marked as Freeware.

Any rights to the Freeware other than the license conditions stated herein remain undiminished for TEC-IT or their suppliers; the Licensee acquires no rights of any kind to the Freeware.

By downloading, installing or using the Freeware or parts of the Freeware, the Licensee accepts the terms of this agreement.

2. Usage Rights and Restrictions

- The Licensee is granted a non-exclusive right to use the Freeware free of charge.
- The Licensee is permitted to use the Freeware only for legal purposes and according to the valid national or international regulations.
- The Licensee is not entitled to receive documentation, support, assistance, enhancements or updates of any kind.
- The Licensee may not distribute, copy, publish, assign, sell, bargain, convey, transfer, pledge, lease or grant any further rights to use the Freeware.
- Any copyright notices in the Freeware or in the source-code of the Freeware must not be modified or altered in any way.
- The Licensee is allowed to modify the source-code of the Freeware (if provided) for improving its functionality or usability only. Modifications with any negative or possible negative impact to the Freeware, to TEC-IT or the users of the Freeware (like introducing malicious code or introducing illegal or offending content) are forbidden.
- If the Licensee modifies the source-code of the Freeware, the Licensee may send the modifications via email to TEC-IT (webmaster@tec-it.com) to improve the Freeware. By sending the modifications the Licensee grants TEC-IT a perpetual, non-exclusive and free right to use the modifications; in addition the Licensee confirms that the modifications are not violating or infringing any rights of third parties. The Licensee agrees that TEC-IT may integrate the modifications or parts of the modifications into future versions of the Freeware without any obligations of any kind to the Licensee or the Licensee's suppliers.
- The Licensee is invited to implement a back link with credits to www.tec-it.com on his website or websites (see http://www.tec-it.com/en/company/linktous/Default.aspx for details regarding back-linking).

3. Disclaimer of Warranty

- The Freeware is exclusively provided "AS IS". The Licensee explicitly accepts that TEC-IT does not provide any warranties of any kind by downloading or using the Freeware or parts of the Freeware.
- TEC-IT makes no representations or warranties, and disclaims all warranties of any kind, either express or implied, regarding the Freeware or the Freeware's performance, accuracy, sufficiency or suitability or the documentation or other materials provided including, without limitation, all warranties of merchantability, durability, performance, quality, capacity and technical compatibility, and any warranty of fitness for a particular use or purpose, title or non-infringement of third party rights.

4. Limitation of Liability

To the extent not prohibited by law, in no event will TEC-IT or its contractual partners be liable for any lost revenue, profit or data, or for special, indirect, consequential, incidental or punitive damages, however caused regardless of the theory of liability, arising out of or related to the use of or inability to use the Freeware, even if TEC-IT has been advised of or TEC-IT has pointed out the possibility of such damages.

5. Governing Law

This agreement shall be construed and governed with the Laws of the Republic of Austria. No choice of law rules of any jurisdiction will apply and any claims being founded on laws of other states or countries are excluded. For any lawsuit relating to this agreement both parties submit to the jurisdiction of the court, having jurisdiction for the area of the city of Steyr, Austria under the Austrian laws with regard to the amount in dispute. With regard to claims against TEC-IT this court's jurisdiction is exclusive.

6. Final Provisions

- The German edition of this agreement is the binding one; in case of different interpretations the agreement in German language overrules all other editions.
- Should any term of this agreement be declared void or unenforceable by the court of competent jurisdiction, such declaration shall have no effect on the remaining terms hereof, as the economic aims remain accessible. The applicable terms may be replaced by terms with the most similar economic impact.
- The failure of either party to enforce any rights granted hereunder or to take action against the other party in the event of any breach hereunder shall not be deemed a waiver by that party as to subsequent enforcement of the same or other rights or subsequent actions in the event of future breaches.
- The current version of this agreement is available at http://www.tec-it.com and the provisions of this agreement constitute the entire agreement between the parties with respect to the licensing of the Freeware and supersede all prior agreements, oral or written, and all other communications relating thereto, including but not limited to, the terms of any shrink-wrap or click-wrap terms contained in the Freeware and any conflicting terms in Licensee's standard business terms. No waiver, alteration, amendment or modification of any of the provisions of this agreement shall be binding unless in writing and signed by a duly authorized representative of the party to be bound thereby.
